Lake Parkway Extension

September 2009: County Board requests that SEWRPC study extension to Highway 100

March to May 2010: Four municipalities echo the request

Lake Parkway Extension

Autumn 2010 to present: SEWPRC
coordinates:

- Lake Parkway Extension Advisory Committee
- Technical Subcommittee

Lake Parkway Extension

Committee process:

- Propose/evaluate alternatives
- Gather input
 - Public meetings targeted for January 2012
- Present recommendations to SEWRPC
- Request DOT conduct preliminary engineering & environmental assessment

Lake Parkway Extension

Steps if successful:

- SEWRPC includes recommendations in long-range regional transportation plan
- Develop funding plan
- Legislative action for actual construction

College Avenue

Photo courtesy The Daily Reporter

Anticipated completion of
eastern segment:

October 2011

(Pennsylvania Avenue to UP Rail)

- roundabout construction, side roads, median
crossovers, driveways, sidewalks and landscaping

Anticipated contract
completion:

November 13, 2011

(Pennsylvania to Howell Avenue)

Bus Routes in the South Shore

Current routes

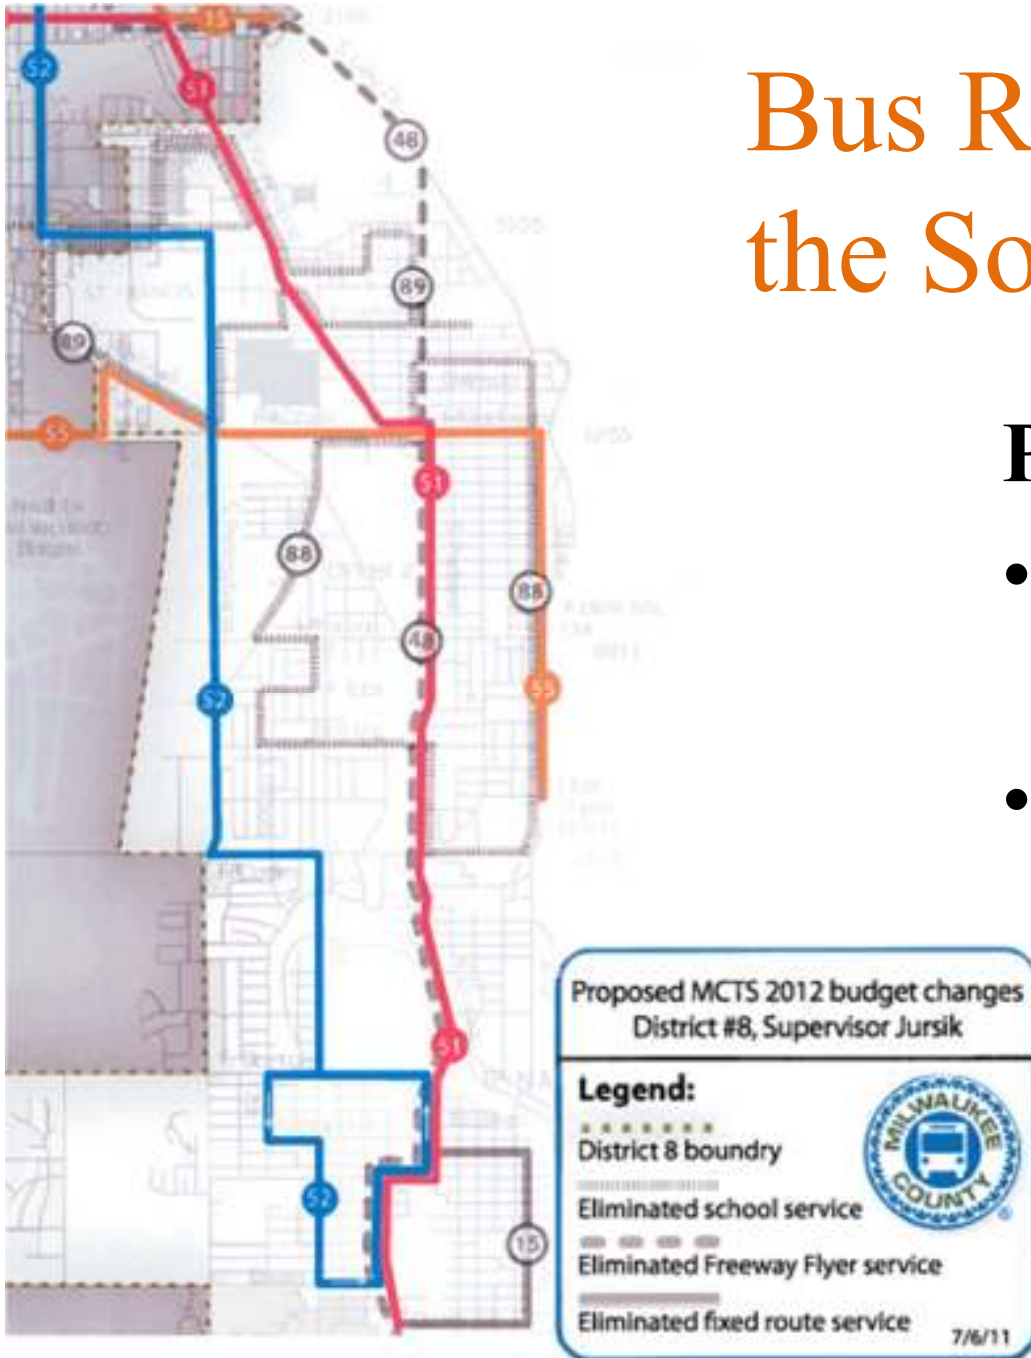

A strong transportation system maintains and attracts businesses

Bus Routes in the South Shore

Proposed cuts

- Restructure Route 15
- Eliminate Freeway Flyers
 - Route 48 South Shore
 - Route 40 Ryan-College

Planning for Regional Growth

Gary-Chicago- Milwaukee corridor

12 million-person corridor

The corridor is a lake corridor

Milwaukee is a water hub

The South Shore has three
communities with their own
water utility
